The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

**ADOPT A RESOLUTION AUTHORIZING THE SHERIFF TO
APPLY FOR GRANT FUNDING FROM THE CALIFORNIA
DEPARTMENT OF PARKS AND RECREATION
(FIFTH DISTRICT) (3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the Sheriff to submit a grant application to the California Department of Parks and Recreation (CDPR) in the amount of \$155,805 for the 2007 Off-Highway Motor Vehicle Recreation (OHMVR) grant program.
2. Adopt the attached resolution authorizing the Sheriff of Los Angeles County, as an agent for the County, to execute and submit all documents including, but not limited to applications, agreements, amendments, and payment requests which may be necessary for completion of the project.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

CDPR has requested submission of grant applications in response to the 2007 OHMVR grant program. In addition to the request for applications, CDPR also requests that the resolution be adopted by your Board and be submitted with the Los Angeles County Sheriff's Department's (Department) application.

The primary objective of CDPR's 2007 OHMVR grant program is to provide funding to selected law enforcement agencies in order to protect natural resources and enforce laws that regulate the use of off-highway motor vehicles and associated equipment.

A Tradition of Service

In meeting this objective, the Department will use the grant funds to implement off-highway vehicle enforcement projects administered by the Department's Santa Clarita Valley and Palmdale Sheriff's Stations.

The Department is in its fifth consecutive year of applying for funding from CDPR's OHMVR program. The goal of the Department's 2007 Off-Highway Vehicle (OHV) project is to reduce incidences of off-highway vehicle related offenses and code violations throughout the jurisdiction of Santa Clarita Valley and Palmdale Sheriff's Stations.

In order to successfully reduce the types of offenses and violations identified above, the Department will utilize the grant funds specifically for the retainment of deputy personnel on an overtime basis. These deputies will then be responsible for identifying/targeting areas in which these violations are highly prevalent and conducting coordinated enforcement efforts throughout the identified region. In addition to the Department's active involvement in the project, the Department will also collaborate with the United States Forest Service to ensure that efficient and productive enforcement of the problem areas exists during peak times (i.e. holidays, extended weekends).

Implementation of Strategic Plan Goals

The Department's 2007 OHV Enforcement Program, a multi-station effort directed at enhancing OHV enforcement operations, meets the County's Strategic Goal 6, Community Services; and Goal 8, Public Safety.

FISCAL IMPACT/FINANCING

Pending your Board's authorization to apply for funding under the 2007 OHMVR grant program, the Department will propose an implementation plan for an off-highway vehicle enforcement project. The total grant amount requested is estimated at \$155,805. A twenty-five percent (25%) cash or in-kind match is required, and it will be in-kind services provided by the Department.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

CDPR anticipates to identify Southern California agency recipients of the 2007 OHMVR grant award in November 2007. Upon notice of award, the Department will be given a period of 12 months to implement/complete the 2007 OHMVR enforcement project.

The attached resolution has been reviewed and approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES

This grant funding will have a positive impact on the services currently provided by the Department. With this funding, the Department will be given the opportunity to successfully accomplish the mission, goals, and objectives of the Department, as well as those of the 2007 OHMVR grant program.

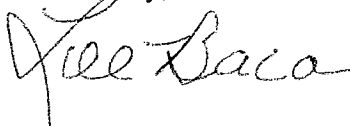

ENVIRONMENTAL DOCUMENTATION

This project is categorically exempt from the California Environmental Quality Act (CEQA) under Section 15321 Enforcement Actions by Regulatory Agencies, Class 21 (b), of the revised Environmental Reporting procedures and guidelines adopted by your Board on November 17, 1987, and the State CEQA Guidelines.

CONCLUSION

Upon your Board's approval, the Department requests that your Board please provide four (4) individually adopted copies of this action and two (2) originally executed copies of the resolution. The Department's contact for this requested Board action is Deryl Trotter, Grants Coordinator, at (323) 526-5153.

Sincerely,
